

# ELECTROLUMINESCENT SIGNS

SIZES		MEASUREMENTS Width x Height (approx.)	
	SMALL	4" x 12"	9.5cm x 30cm
	MEDIUM	12 1/2" x 17"	31cm x 43cm
	LARGE	18" x 26"	45cm x 65cm
	EXTRA LARGE	32" x 48"	80cm x 120cm

There are three components to each sign: transformer, control and the sign itself.  
Delivery is approximately 70-90 days from the date of the order.

Light sequences can be customized up to a maximum of 12. Sign orientation can be vertical or horizontal and the actual sign size can be customized.

Specific quotes including shipping and handling can be provided after we receive artwork. Artwork should be provided in vector format (Adobe Illustrator) or high resolution images (200 dpi minimum at output) for the best results.
